

Critical Information Summary

OP15 ADSL2+ Phone and Broadband Bundle

Information About the Service

Description of the Service

- 15 GB peak (9.00 am - 1.00 am) data allowance.
- Unmetered off peak (1.00 am - 9.00 am) data allowance.
- Telephone service which gives you line rental and a telephone number which enables you to make and receive calls.

Mandatory Component of the Service

The telephone line rental is a mandatory component of the service which cannot be separated from the service. The cost of the phone line rental is included in the monthly service charge. Additionally the Long Distance voice call service associated with this phone service should not be preselected to another carrier other than Exetel; else a \$10.00 (including GST) surcharge will apply to your account.

Minimum Contract Term

12 Months

Limitations/Qualifications for the Service

Exetel Phone and Broadband services (based on the Optus network) are not available in all areas or premises, or in the Northern Territory. There may be technical or commercial reasons that affect our ability to connect a service at your address. Please visit the Exetel website to check your service availability or contact our Residential Sales Team on **1300 393 835** and select Option 1.
